WIPES DO NOT GO DOWN IN PIPES

Due the COVID-19 pandemic, many people are having to stay home and using wipes to sanitize their homes. Please remember that wipes and paper towels are to be thrown in the trash and NOT flushed down the toilet. Otherwise, sewer backups will result.

Even if you see on the label that states “flushable” or “septic-safe”, please ignore the statement and discard the wipes in the trash cans.

Only toilet paper and human waste should be flushed down the toilet. Thank you.

PEDESTRIAN GATE CODE “71139”

To enter the complex using the pedestrian gates, you no longer need to use the “#” before entering the gate code. To make it easier, the gate code is the zip code backward. Please use discernment when giving out the code.

POOL AREA REMAINS CLOSED WHILE LOGISTICS TO BE WORKED OUT VIOLATORS / UNAUTHORIZED USERS SUBJECT TO FINE & FEES

Late Friday, May 8, 2002, the County Health Dept allowed HOA’s pools to open subject to strict guidelines. However, the Grove pool facilities will remain closed for now. (Violators are subject to be fined with a hefty fee and other costs). See Order below:

https://countyofsb.org/uploadedFiles/phd/PROGRA/MS/Disease_Control/Corona/Health%20Officer%20Order%20NO.%202020-8-1.pdf

At the next Board meeting, the Board will be discussing how to implement various policies to comply with County Health Order. Until then, the facilities must remain closed. Thank you for your patience.

CARPORT FASCIAS IN 1ST PHASE BEING REPLACED

To complete the replacement of all the carport fascias, Vineyard Construction has worked around to finish up with the carport fascias at Bldg 7632 &

7630. Thank you for your continual patience and cooperation.

DRY ROT BEING REPAIRED

Affordable Painting is busy repairing the dry rot, one building at a time, which is found after the power washing was done. Beachside Construction is replacing staircase stringers and/or balconies that have dry rot. Thank you for your patience and cooperation as the Association is addressing the various wood issues.

MAINTENANCE OR SAFETY ISSUE NEEDS TO BE REPORTED

If you see a maintenance item or a safety issue which requires prompt attention, please call 805-569-1121 #204. A phone call will result in faster response. Thank you.

UNITS FOUND VIOLATING AGAINST ASSOCIATION RULES

At a recent walk around the complex by a couple of board members, it was noted that there are a few units in violation of the Association rules. The following are some common conditions found:

- 1) **Using back patios or balconies for storage.**
- 2) **Excess items on front landings and walkways or placed in common areas.**
- 3) **Use of vertical trellises, inappropriate patio/balcony blinds, and unauthorized fences or structural awnings.**
- 4) **Unauthorized window air conditioners.**
- 5) **Dog off leash.**
- 6) **Smoking in the pool area.**

All residents & owners are strongly recommended to take a look at your unit balcony, patio, and front landing area. If one (or more) of the above conditions describes your unit, please promptly take steps to rectify the situation. Otherwise, the unit owner may be recommended to be levied a fine. Thank you for your immediate attention.

PARKING SPACES FOR ONLY VEHICLES THAT FIT

If you have a vehicle that does not fit inside a parking space, you will have to park it outside the

Development. Only vehicles that can be properly parked in between the 2 lines may be kept on-site. Speaking about parking, if you have a vendor or guest that visits your unit, it might be best to allow their vehicle to park in your assigned spot while you park in another unassigned space. Otherwise, vehicles that park in the red zone / fire lane (or someone else's spot) will be towed at vehicle owners' expense.

PARKING REMINDER

As a reminder, here are some parking rules that all residents, owners, guests, contractors, agents, etc. must comply with:

- a) Unless otherwise posted as long-term or 24-hr parking, all unassigned visitor parking is limited to short-term 72-hr parking;
- b) All vehicles must display valid, operational registration tags if parked anywhere in the Grove;
- c) There is a maximum of two vehicles per Unit that may be parked in the Grove;
- d) Unattended parking in Red, Tow-away, No-Parking fire lanes is not permitted. This includes vendors. As a courtesy, Units should park elsewhere and temporarily relinquish their assigned space to the vendor if the vendor will be working in the unit for any length of time. The vendor should be reminded not to park in the No-Parking areas except for brief loading and unloading of tools and materials. If left unattended, their vehicle can be towed at their expense.

OWNERS ARE RESPONSIBLE FOR THEIR TENANTS / GUESTS BEHAVIOR

As a reminder, unit owners are ultimately responsible for the behavior of their renters, renters' guests, contractors, agents, etc. Unfortunately, if one of these people violates an Association rule or policy, the unit owner may ultimately be levied a fine. Rules and regulations are posted on the Association's website www.eucalyptusgrove.org. Thank you in advance for informing your renters, guests, etc. of the Association expectations.

NO DOGS ALLOWED OVER 25 LBS

As a reminder, per the CC&R's, only one (1) dog is allowed per unit and no dogs are allowed in the complex that weigh over 25 pounds.

In addition, visitors are not permitted to bring their pets into the complex at any time. This includes visitor dogs, large or small, unless the animal provides recognized assistance under the Fair Housing Act.

If you have a guest with a dog, please request that your guest leave the dog at home.

REPORT BURNT OUT LIGHT BULBS

If you notice any common area light that is burnt out around the complex, please call or send an email to JamesN@Bartlein.com. For efficiency sake, please include all the specific details as to type and location. If able, please include a photo. Preferably, a call would be more efficient. Thank you.

INSURANCE INFO FOR REFINANCE

If you are refinancing your home loan, your lender may need to obtain an insurance dec page. You may call Timothy Cline Insurance Agency at 800-966-9566 and please follow the prompt.

Speaking about insurance, the Association insurance has a \$10,000 deductible. You should speak with your insurance agent about getting proper and adequate coverage so that there's no gap between what your insurance covers and the Association's. A copy of the Assoc insurance policy is available upon request.

The Assoc also carries earthquake insurance with a 5% deductible of the coverage amount (\$33.5M+). A copy of the policy is available upon request. Please discuss with your insurance agent about "loss assessment" coverage.

All renters are strongly encouraged to get renters insurance.

ALL EXTERIOR ALTERATIONS REQUIRE BOARD'S PRE-APPROVAL

In order to keep things uniform, all exterior alterations (doors, screen doors, windows, patio flooring and lattice work enclosure, etc.) must have the Board's pre-approval. Otherwise, the Board will ask you to restore the altered item at your own cost or have it done and pass all related costs on to you. When in doubt, make your request known to the Board. To request for consideration, please email your request with specs, photos or plans to the Board, c/o Mgmt, at the address below. Please do so at least 7-10 days before a board meeting. Thanks.

THINKING OF REMODELING?

Unit Interior Modifications should also have prior Board Approval.

Unit owners have greater discretion for interior unit modifications and improvements, but any major modification should have prior Board Approval. Remember, certain interior changes are still not allowed. These include items like removing load bearing walls, dividing or combining units, and

building useable areas in designated restricted airspace within third-floor units. Adding hardwood flooring should have prior approval to ensure proper insulation and installation procedures are followed to reduce noise issues. As with exterior alterations, interior modifications made without prior Board approval or in violation of Grove regulations will be subject to removal, restoration, and/or further modification at the Board's request and at the Unit Owner's expense.

**MAINTENANCE CONCERNS?
PLEASE CALL MANAGEMENT**

If you see a maintenance issue around the complex, for faster response, please call 569-1121 #204. You may also send an email to JamesN@Bartlein.com but if you do not hear back within a couple of days, please call. Exterior maintenance may not always be the Association's responsibility but please contact Property Mgr, James Nguyen, for clarification. All emails are subject to be forwarded to the Board for review.

**ASSOCIATION TO REPAIR FAULTY
PRESSURE REGULATOR AND
BILL UNIT OWNER**

In order to prevent damage to the foundation, seepage to lower units, and wasting of water, the Association will be replacing a faulty (leaking or one that makes loud noise) pressure regulator if it is not dealt within a week or less after a notice is distributed to the unit. All related costs will be passed on to the unit owner.

**PLEASE CHECK FOR LATEST INFO
ON ASSOCIATION WEBSITE**

The official website address for our Association is <http://EucalyptusGrove.org>. For your convenience, you can find important information and documents (CC&R's, By-Laws, Amendments, Guidelines, newsletters, agendas, minutes, notices, and other published correspondence) posted there. Many times, the minutes have more information than what is in the newsletters. It is essential that all owners & residents are aware of the rules and regulations. In addition, if you have tenants, you are responsible for making sure they receive copies & comply with the rules. Thank you.

INFORMATION REQUIRED

As part of the governing documents, all owners are required to provide your current information to the Association. If you move, change your contact information or if you have tenants or new renters,

Please note: According to the CC&R's 3.1.2, if you rent, the rental agreement must be in writing; Assoc rules must be given to your tenants (check Assoc website) and the tenants must abide by the rules; if the tenants fail to comply with the Assoc rules, it shall be a default under the rental agreement.

**PLEASE CALL FOR FASTER RESPONSE
WITH MAINTENANCE ISSUES**
